At Emanu-El we believe that being a **Role Model** means that you share your knowledge and experiences to enrich the lives of others; Role Models show that living the values we learn is possible. The **final step** in achieving Level III and becoming a **Role Model** is therefore to demonstrate to the Religious School community what you have learned by participating in Temple programs this year which helped you achieve this milestone. Projects can take the form of a presentation to your class, video for our website, activity to run at a future family dinner or something else you think of! Completion of this project will make you a Role Model for other students in our school. To discuss your plan, and arrange your **Role Model Project**, contact Caryn Roman!

Please briefly describe the format of your proposed Role Model Project:
